Assistant Commissioner for Patents
Box Patent Application
Washington, D.C. 20231

Dear Assistant Commissioner for Patents:

This correspondence concerns claim amendments to US Patent application 09/530,303. It contains the following:

1. Amendments to the claims: [Where originally there were 17 claims numbered 18-34 and after amendments consisting of canceling all 17 original claims and add 32 new claims numbered 35-66 there are 32 claims.] The new claims are submitted on 9 replacement sheets numbered 62 through 70. (9 pages)

The highest number of independent claims previously paid for was 5 (as filed on 27 April 2000). The current filing contains only 4 independent claims. Thus, no payment is due for independent claims. However, there are 12 extra total claims. Thus, payment is due for 12 additional claims at the small entity rate of $9.00 per claim. ($108.00)

2. A check # 1924 payable to the "Commissioner for Patents and Trademarks" in the amount of $108.00 to cover US extra claim fees is enclosed.

3. Statement Claiming Small Entity Status (37 CFR 1.9(F) & 1.27 (b))--Independent Inventor. (1 page)

Sincerely,

Christopher King
